Lake Barrine Teahouse

Since the 1920s, the Lake Barrine Teahouse has been operated by the Curry Family and held its historical charm.

Nestled on the shores of Lake Barrine, where the rainforest meets the lake, sits the Teahouse, which was built in 1927 and captures the ambience and spirit of that pioneering era.

Food has always been at the heart of this family business, and Margaret Curry's scone recipe dates back to the early 1920s when there was a one-lane road from Cairns.

Our breakfast and lunches are hearty and nurturing, and the ambience of the gardens and the lake are food for the soul.

Relax, enjoy, and make yourself at home.
